

Saints

with **Socks!**

Collecting Oct 1 – 29

MAKE A DIFFERENCE DAY ~

The "Brrrr" months (Oct, Nov, Dec) are approaching. As the winter chill descends on the valley, so does the need for **NEW WARM WINTER SOCKS** for all ages, to

keep the homeless and people in shelters comfortable and safe. Our community ministry partners are the following:

- ❖ Saint Francis House, formerly Gospel House (men, women, and children)
- ❖ Rescue Mission (men)
- ❖ Salvation Army (men)
- ❖ Women's Resource Center (homeless & needy women)

Thank you for making each year a great success with donations of about 1,000 pairs socks annually from people all over the valley. Can we do it again? Join in this community-wide project.

Members of Saddlerock Church (1400 S. Miller, Wenatchee) are asking for donations of **NEW WARM WINTER SOCKS** from October 1 through October 29. Warm socks for adults and children will be collected in a specially marked box by the church's front entrance Monday through Friday mornings and each Sunday morning until Oct. 29. *Men's socks are most needed.* These socks will be distributed to charitable organizations as liberally as we have socks to donate.
